the scarlet thread tainted women is a celebration of women who defied conventions and received the gift of god's grace to become part of Christ's family tree. Each chapter of the book looks at the life of each woman and how it is woven into the plan of God. Faith is the only qualification for being part of His story. This book narrates the accounts of imperfect men and women of faith in the hope that those who read it will someday see themselves in His finished work.
